

WESTERN CANADA AUSTRIANS GET CALL

A partial mobilization order in connection with the Austria-Servian war has been issued to apply in western Canada. The order is dated July 26.

When asked yesterday as to the number in Winnipeg and the west that this order would affect, George R. Lakes, Austrian consul, said he could give no estimate. There are 150,000 Austrians in western Canada, he declared, and those concerned would be notified individually by letter that their corps has been ordered to the front.

Proclamations as to mobilization will be published in the German and Ruthenian newspapers of the west to-day. The Winnipeg consulate has jurisdiction over Austrian interests in the three prairie provinces, there being an honorary consulate in Vancouver for British Columbia.

There are also a large number of Serbs in the west, but there is no consul at Winnipeg.
