

GERMAN IS ARRESTED

FOR CARRYING A GUN

Ernest Burnett, a German, was arrested last night as he was boarding the boat for Seattle and taken to the police station charged with carrying arms. A large automatic revolver was found on his person. He stated that he was going to Seattle to see the German consul there. It is stated that there is a general exodus of German unattached residents of this city and that it is their purpose to go from the United States to the Fatherland.
