

## SHELLING OF ANTIVARI AN OFFENCE TO ITALY

### AUSTRIAN CRUISERS HAVE LEFT IN THE DIRECTION OF CATTARO.

(Canadian Press Despatch.)

Paris, Aug. 10.—A special despatch from Rome declares that public opinion there considers the bombardment of Antivari, the sole port of Montenegro, as an offence by Austria against the interests and rights of Italians, because of damage done to the property of the Italian Company at that port.

After the Austrian cruisers had bombarded Antivari, Montenegro, damaging the wireless station and the electrical works, they directed their fire to the adjacent hills, in which many Montenegrins from the town had sought refuge.

These refugees returned the fire, whereupon the cruisers redoubled their attack upon the town and its suburbs, destroying many houses. One cruiser then entered the port, and resuming the bombardment, destroyed the maritime station and storehouses. The warships then sailed in the direction of Cattaro, Austria.

## MINNETONKA PURSUED TO THREE-MILE ZONE

### STEAMER REFUSED TO DISCLOSE NATIONALITY AND WAS CHAS- ED BY WARSHIP.

(Canadian Press Despatch.)

New York, Aug. 10.—Stronger enforcement of the neutrality laws was taken by the port authorities to-day almost simultaneously with the arrival of the Atlantic transport liner Minnetonka with the story that a warship, nationality not learned, had pursued her during the closing hours of her voyage to American waters. An embargo was placed on the wireless apparatus of every foreign ship in New York harbor. This step was taken after the authorities began to suspect that foreign cruisers at sea might be communicating with ships of their nationality in port.

The chase of the Minnetonka ended early to-day, only after the ship steamed into the three-mile neutrality zone in the vicinity of Nantucket.
