PORT HURON, Mich., Aug. 25.—Ten Austrian reservists from Chicago and Milwaukee, who were en route to New York have been taken from trains on the Grand Trunk Railway at Sarnia, Ont., across the St. Clair river from Port Huron, and are being held as prisoners of war, it was learned here today. On purchasing their tickets they failed to realize they placed themselves in the hands of the enemy on entering Canada. It is probable they will be taken to Toronto and held until the close of the war.

BUFFALO, N. Y., Aug. 25.—A company of militia arrived at Bridgeburg, across the Niagara river from here, today to guard 26 Austrians and Hungarians who had been taken from eastbound trains during the last few days. The foreigners were bound for New York, where they intended to take passage to their native countries. The number of prisoners increased so rapidly that the village authorities were doubtful of their ability to hold them and asked for the militia. Niagara Falls, nt., has 19 prisoners of war, including German, Austrian and Hungarian reservists.

WINDSOR, Ont., Aug. 25.—Nine Austrians were found on a Cabash train here and are being detained as prisoners of war. They had tickets to Austria and were to have sailed today from New York. The prisoners are under guard at the armories and may be sent to the detention barracks at Kingston.

F. H. Berger, a well-known business man of Detroit, was detained here as a prisoner of war. Papers were found on him which later led to verification of the fact that he was an officer of the German army and was on his way through Canada, en route to the scene of war.

He has been sent to the detention barracks at Kingston.
