

The Smith's Falls Shooting.

Inspector Foster of the Dominion Police was sent to Smith's Falls on Saturday by Col. A. P. Sherwood, the Commissioner, to investigate the circumstances connected with the shooting on Saturday of Patrick Moran, a guard on the C.P.R. property. Up till last night, Col. Sherwood said there had been no arrest made.

The Ottawa police are keeping a lookout for the foreigner who shot and killed a sentry at Smith's Falls, as it is thought he might be heading in the direction of this city. A report was received yesterday by the police about an Austrian who was seen walking into the city along the Merivale road, and who asked for directions at a toll gate. Suspicions were aroused and the police were notified.
