

RUSSIAN BORN CITIZENS

Professor Getzeff Tours Dominion to Secure Soldiers for Triple Entente.

For the purpose of organizing the Russian born citizens in Canada who are available for the fighting forces with the Triple Entente, Professor Onofry O. Getzeff, formerly of Lemberg university, is touring the Dominion and is now in Edmonton. He has been given a great reception by the Russians of this city.

His arrival from Winnipeg at the G.T. P. depot was greeted by a big delegation headed by A. B. Shandro, M.P.P., and forming into a procession with Professor Getzeff in the place of honor, the delegation marched to the Russian Orthodox church on Grierson street, where addresses were given.

This was followed by a meeting in the church at which over 1,000 Russians were in attendance. The outcome is that many Russians are anxious to join either the British or Russian colors.
