

Asserts Foreigner Has Right in Court

Any Austrian Who Behaves Gets Justice in Mani- toba

Winnipeg, Nov. 14.—Mr. Justice Galt has ruled in an action began by Pescovitch, an Austrian, against the Western Canada Flour Mills Company, Limited, that an un-naturalized foreigner has right of action in Manitoba Courts provided he attends to his own affairs. Pescovitch claimed damages from the company who moved for a stay of all proceedings on the ground that plaintiff was an alien enemy. The court ruled that the case must proceed.
