

ALIENS ROUNDED UP

MONTREAL, Que., Nov. 16.—The office for alien enemies in Montreal and for an area of twenty miles round the city was in good working order this morning at 153 St. Terrone street, and some 400 aliens, mostly Austrians of the poorer class, registered their names and addresses and gave the name of their birthplace and length of residence in Canada.

Notices warning all Germans, Austrians and Turks to register within a month have been posted broadcast.
