

WORK FOR ENEMY ALIENS.

Will Be Employed on Crown Lands
In Quebec And Ontario.

Ottawa, Dec. 4.—Gen. Sir William Otter, who has charge of internment the enemy aliens in Canada, has arranged for employment during the winter months for the majority of them in clearing land for agricultural purposes. Those in Quebec will shortly be removed to the abitibi district, while in Ontario they will be put in the Algonquin Park and at the Petawawa training grounds. The men seem willing to accept any kind of work during the winter with employment conditions stringent as they are in Canada at present.
