

Many Syrians in The Home Guard

Turkey's Participation in the War Induces Them to Join

There are a number of Christian Syrians in the city, and some of them have become members of the Home Guard. All Christian Syrians the world over are strongly in favor of Great Britain and her allies, in spite of or because of the fact that Syria is dominated by the Turks. They abominate the rule of Turkey, which is forced upon them as a conquered people. The Turks have taken all their weapons of war from them, and they now have neither arms nor ammunition. They are looking forward to the allies taking possession of their country.
