

# REPORTS ON THE ALIENS

---

General Sir William Otter Returns  
from Port Arthur.

OTTAWA, Ont., Jan. 23.—General Sir William Otter has returned from Port Arthur and Fort William, where he had been investigating conditions affecting the alien enemies. There are about 800 of them in the twin cities, and while not interned they are under surveillance. The proposal is to send the gangs to clear farm lands in the northern Ontario district.
