

Aliens From Stanley Barracks. racks To City Hall.

Fifteen foreigners, were brought down from the internment camp at ~~Stanley Barracks~~ to the City Hall by a guard of the Royal Canadian Dragoons. The aliens were witnesses, called before the Grand Jury considering the indictment of J. J. Rowens, a local steamship office clerk, charged with high treason.

If a true bill is returned by the Grand Jury in the case of Rowens there will be two treason cases awaiting trial in the Assizes, as the jurors returned a true bill in the case of Paul Mazur, a Cobourg Austrian. Both Rowens and Mazur are charged with aiding alien enemies to leave the country and join the enemy's forces.
