

ASSAULT BY ALIENS.

Upon a warrant issued by Judge Choquet on the strength of a doctor's certificate, Abe Schnapp, 37 years of age, of 773a Laval avenue, and his brother, Samuel, aged 27, of 1206 St. Lawrence Boulevard, were arrested last night by Detectives Walsh and Thibeault upon a charge of aggravated assault upon the person of Z. Rottenburg, of 63 St. Elizabeth street. The alleged assault occurred late yesterday afternoon and, according to the doctor's certificate, the victim is lying in a critical condition at his home. The two detectives, armed with the warrant, found both accused men at their respective homes, the older of the brothers hiding in a clothes press. The prisoners are Austrians, and are understood by the detectives to be registered. They were locked up without bail at headquarters, and will appear in the Arraignment Court this morning.
