

KEEP TRACK OF ALIENS.

Landlords Must Supply Information to Authorities.

London, April 19.—An Order-in-council is published in a supplement to the London Gazette, making more stringent restrictions upon the movements of aliens. From April 25th it shall be the duty of the keeper of every hotel, inn, boarding house or lodging house to register the names and nationalities of all persons over the age of fourteen staying in his establishment, together with the dates of their arrivals and departures and their destinations.

Contravention of these regulations will subject the keepers of the houses to penalties, as well as persons staying therein, who refuse to give the required information.
