

# *Held up By Military*

---

Last night two men were observed by the military sentries on duty, on the Cantilever bridge, making their way across from the American side. They were challenged immediately and held up, and not being able to give a very good account of themselves were detained.

They gave their names as Russell Murphy and Charles Schintzer, and were this morning brought up before Magistrate Fraser who ordered them to be turned over to the immigration authorities for deportation.
