LETHBRIDGE, Alta., June 1.—Three well known local chauffeurs, J. L. McKenzie, F. Dart and Jay Owen, are under arrest on a charge of treason, and six Austrians who they are alleged to have attempted to assist across the line, also are under arrest as a result of good work by the R.N.W.M.P. in nipping in the bud a sensational attempt of the aliens to escape from Canada.

McKenzie, owner of one car, with Driver Owen, and Dart, driver of another, got \$60 each for taking the Austrians south on Saturday towards the boundary. The Austrians were arrested at Milk River and the drivers were arrested here on their return. The police believe a series of attempts have been made recently and implicate McKenzie as the instigator of them.
