

99TH REGIMENT NOW TAKING OVER GUARDING OF INTERNED ALIENS

Recruits for Guard Duty Wanted —Others Must Turn in Uniforms at Once

Any man in Brandon who really wants work and is physically fit for guard duty can earn a dollar and ten cents per day, plus his food and clothing, by enlisting in the 99th regiment for the duration of the war. The 99th regiment is to take over the guarding of the interned aliens at once, but the men of the 45th battalion will stay for a few days to see that everything is left in good shape. Col. Clark stated today that he expected to have the whole of the 45th men at Sewell with their comrades by Wednesday or Thursday. There are at least one hundred men in the 99th who would make excellent guards and as their number increases the men whom they replace will be sent to Sewell.

A notice was issued Friday calling for all men in the 99th who cannot undertake guard duty to send in their uniform at once. The 99th will start in today to handle their new duties and their officers will be Capt. Harrington, Lieuts. Rigg and Skelton. Capt. Coleman and Lieut. Crossthwaite of the 45th will still remain here under Col Clark to govern the internment camp.
