

ALIENS IN WINNIPEG TALK SEDITIONOUSLY

Winnipeg, June 8.—Complaints have been coming into the the authorities that naturalized German and Austrians in the city are in some cases offensively showing that their sympathies in the present war are against the British and the Allies. It is reported that seditious statements are being made by some of these people, and the evidence is of such a conclusive nature that the authorities are considering instituting prosecutions. Persons found guilty of uttering seditious statements are liable to a two-year term of imprisonment.
