

## WANT GIRL ~~INTERNEED~~.

### Police Suspect Louise Marsfeldt Of Teutonic Espionage.

In Women's Court on Friday, the police will ask that Louise Marsfeldt be interned as a German spy. The girl was arrested by Detective Maurer at the Union Station, two weeks ago and locked up on a charge of vagrancy. When arrested, the girl carried a suit case, but there was nothing of an incriminating nature," said Inspector Kennedy. "She looks like a German, but is a very clever linguist. Her English is perfect. She also speaks other foreign languages, including, Italian, French, and Russian. She said she was born in Alsace, Germany, and came to United States two years ago. She claimed to have traveled much."

The police are silent as to the precise grounds for their charge.
