## *Peter Dobler is Therefore Made to Register and Re- port*

Peter Dobler, a cook from Iroquois Falls, went to the Registrar of Alien Enemies yesterday asking for an exeat. When Mr. A. J. Russell Snow, K.C., found that Dobler had served three years in the German army and was born in Munich, though he claimed to be a Hollander and to have served in the Dutch army, he made him register here and report weekly instead of giving him an exeat to go to the United States.

Carl Wintermantel, a German who has been four years in Canada, and who lives at 996A Dundas street, was yesterday examined by the Registrar of Alien Enemies on a charge of seditious utterance.
