

WELL-INFORMED ALIEN

German Had List of Ammunition Factories.

NIAGARA FALLS, Ont., July 11.—A complete list of Niagara district factories making shells for the allied armies, together with considerable data that would be use to the German government, is said to have been found on the person of a German resident of St. Catherine's, who was arrested and interned here yesterday. The authorities refuse to give out the name of the prisoner or any information concerning his case.
