

MAY BE ENEMY ALIEN.

Whether Alexandre Lemay, alias Lemm, who with Elzear Clouthier was arrested at Longue Pointe on Saturday for assaulting Zepherine Soral is an enemy alien is something the police are trying to find out. Lemay said that his father was a Russian, while his mother was German, but the police are inclined to think that both himself and his parents are Germans. Lemay and Clouthier pleaded not guilty and were remanded until tomorrow for trial.
