

**ALIEN SMUGGLERS SENTENCED.****Wm. Lonnee and Max Lakrytch Get  
Three Months in Jail.**

(Special Despatch to The Globe.)

Windsor, Aug. 18.—William Lonnee, Max Lakrytch and Victor Caron, the Windsor men taken into custody some weeks ago charged with assisting to smuggle alien enemies of Great Britain out of Canada, were sentenced by County Judge Dromgole to-day.

Lonnee, who at his trial last week told the court he was quite aware that he was breaking the law by smuggling undesirables from Windsor and Sandwich across the river, was given three months' imprisonment in the county jail. Lakrytch got the same, while Caron was allowed to go free on suspended sentence.

Lonnee had been charged with assisting a paroled Austrian to escape from the jurisdiction of the Canadian militia authorities, while Caron rowed him across the river.

Niagara Falls, Ont., Aug. 18.—(Special.)—The body of a man was taken from the Whirlpool Rapids this morning by William Hill. It is that of a man about 50 years of age and six feet tall. It had been in the water about eight days. No clothing was on it, and the body was badly battered. Around the waist were four strands of cord, but there was nothing to lead to identification. The body was removed to Morse's morgue after being viewed by Coroner Thoupson.
