

GERMAN PASTOR HELD

Saskatoon, Sask., Aug. 20.—Rev. Mr. Stetzer, a German Lutheran pastor at Luseland, is in the cells at Kerrobert. The charge against him has not been made knowp, but it is alleged that he has been distributing seditious literature among the German population of the district. It is said that before the war there were innumerable factions among the German speaking people, but that now the weekly gatherngs at the church have increased in size wonderfully and that meals are now brought to the meeting house.
