

# CARL SCHMIDT IS UNDER ARREST ON DYNAMITING CHARGE

---

Taken in Charge by Detectives for Complicity in Walkerville Outrage

---

Windsor, Aug. 30.—Detectives Nash and Smith arrested Carl Schmidt, of Detroit, Sunday afternoon as he stepped from an excursion steamer on to Bois Blanc Island, on a charge of being concerned in the dynamite outrage of some weeks ago at Walkerville.

Schmidt apparently did not know Bois Blanc was Canadian territory. While being taken to Amherstburg by the officers he threw overboard a letter written in German, addressed to a German in New York, which, however was recovered.
