

Spies in Pembroke, Says Town's Mayor

Claims Centre of Canadian System is There, and Unmolested

Ottawa, Dec. 1.—A statement by Mayor J. L. Morris, Pembroke, Ont., that that town is the hub of an organized spy system radiating throughout Canada and connecting with an even greater system in the United States, has caused somewhat of a sensation in local circles. Pembroke's propinquity to Petawawa military camp, and the fact that there are over 1,300 Germans in the town, are advanced by Mayor Morris as reasons for his statement. The Mayor asserts that no efforts have been made by the authorities to round up the ultra-German element, and consequently alien enemies abound unmolested through the district.
