Sarnia, Feb. 10.—Rev. Arma Hol-  
ter, who was brought up before the  
Immigration Board on Tuesday, left  
the same night on the ferry for the  
United States. It is said that al-  
though he gave promise under oath  
not to leave the place immigration  
officials who saw him, going, took  
no steps to keep him back. His wife  
reports that he has gone to resume  
his work among foreigners in  
Pittsburg.
