

## OBJECTS TO PRO-GERMAN

---

In private bills this morning the committee on motion of W. Puffer, Lacombe, and Hon. J. R. Boyle, unanimously passed a recommendation to the legislature that the bill to incorporate the Farmers' Mutual Hall Insurance company of Alberta be not considered by the house. Mr. Boyle objected because he did not believe in mutual hall insurance companies, and cited instances of poor satisfaction given by them. Mr. Puffer objected because one of the directors in the company is a pronounced pro-German.
