

INTERNMENT CAMPS RELEASE ALIENS

All Save 180 in Two Northern Posts Have Been Given Employment.

Ottawa, Aug. 22.—About seventy-five interned aliens now remain at Spirit Lake in Northern Quebec and about the same number in the other camp at Kapuskasing, Ont. The balance of two or three thousand formerly interned in the two camps have been released to meet the labor shortage which exists in Canada at present. Employers have been obtaining the release of these men by guaranteeing them work.
