IAN WATCH AT BORDER?

Aliens Coming and Going, It is Alleged, As They Please.

(Special Despatch to The Globe.)

Sarnia, Dec. 19.—That **alien enemies** come and go across the river here as they please was evidenced to-day by statements of Mike Meorichuk and Michael Resuw, Austrians, who, in court here, stated that on several occasions they have crossed to the American side, visited Detroit and other places, and returned here again. This has been going on since the war started, **aliens** crossing to Port Huron whenever they please, not having any trouble, unless it is on the way back. The two men were fined to-day by the Magistrate, and warning will be sent to the foreign colony that they must not move about without permission.
