

Committee Ap- pointed to Inves- tigate Aliens

Niagara Falls, N. Y., March 27.—The city council last night adopted a resolution naming the mayor, two members of the council, the city manager and three citizens, a committee to investigate aliens suspected of being affiliated with the central powers. The committee will meet for organization Tuesday night and its business will be transacted along the plan of the federal secret service system.

Officers of the Citizens Defense association are: President, T. Austin Liddbury; vice-president, Frank A. Jense; secretary, Martin Sheehan and treasurer George H. Courter. O. E. Carr, city manager, is a member of the executive committee.
