

Employment of Aliens is Vetoed by Mayor

Mayor Church is opposed to the employment of alien enemies, and at yesterday afternoon's meeting of the Board of Control presented the following motion, which was passed by the board and will be submitted to the Council at the next meeting:

"(1) That the city petition the Federal Government to make it illegal to employ in any munition factory in Canada, or on any Dominion Government work, any alien enemies, and that the Government of the Province of Ontario be asked to pass an amendment to the factories act as well, preventing the employment of alien enemies within the Province.

"(2) That the city place a clause in all specifications for civic work that no contractor can employ alien enemies on such work. Further, that the city request the Harbor Commissioners, the local Hydro Commissioners, and the Board of Education to adopt a similar proviso in their specifications.

"(3) That the Dominion Government be requested to enforce the provisions of the alien labor act."
