

ALIEN ENEMY CAUSES STRIKE.

LETHBRIDGE, Alta., April 9.—The discharge of an alien enemy today at the Federal Coal Mines here, resulted in a tie-up of the mines by the union. Petras, an Austrian, is the man involved. He has been an agitator of the men. The manager refuses to reinstate him in response to an ultimatum from the miners. He says he will allow no alien enemy to dictate to him. The operators have violated no clause of their agreement, the manager claims.
