

WITHDREW ALIENS' BILL.

In the Senate yesterday Senator Bradbury withdrew his bill which would withhold the franchise from all enemy aliens who came to Canada after they had passed the age of 12 years.

In withdrawing the bill, Senator Bradbury said that while he believed its provisions expressed the overwhelming opinion of Western Canada, he would not press it at this time, being content to place his views before the country and to await a more favorable opportunity of seeing the measure passed into law.
