Army and Navy Veterans Select April As Month For Annual Meeting

Montreal was unanimously selected as the place for the next annual convention by delegates attending the final session of the Dominion convention of the Army and Navy Veterans' association at the Industrial bureau Wednesday afternoon. The convention will be held next April.

A resolution urging the Dominion government to confiscate all lands held by enemy aliens was discussed and turned over to the executive for further action, with the understanding that every branch of the association would forward resolutions to Premier Borden urging this move.

A further resolution was adopted amending the constitution to allow all men who have served with Canadian and Imperial forces for three years to become active members of the association.

Secretary T. W. Low was instructed to forward a telegram to Senator W. H. Sharpe thanking him and his associates for obtaining special convention rates for the association from the Canadian railway board of national defense.

Following is the executive council elected at the session:

British Columbia, E. A. Pooley, Victoria; Manitoba, C. G. F. Wheeler, Winnipeg; Saskatchewan, J. B. Jenkins, Weyburn; Alberta, J. M. Tees, Calgary; Ontario, G. A. T. Smithson, Ottawa; Quebec, T. C. Cross, Montreal; Prince Edward Island: the president of the Charlottetown branch of the association to be elected at the annual meeting of that branch next week.

The constitutional boundary of the east and west will be decided by the executive. The convention was adjourned with the singing of the National Anthem.
