FORMER GRIMSBY PHYSICIAN
WAS WITH THE PALESTINE
EXPEDITION.

(Special Despatch to The Globe.)

Detroit, July 4. — A cablegram containing news of the death of Lieut. L. F. Jamieson, R. A. M. C., son of Rev. Dr. and Mrs. Jamieson of St. Andrew's Presbyterian Church of this city, has just reached the young widow from the War Office, London. The cablegram reads as follows: "Deeply regret Lieut. L. F. Jamieson, R. A. M. C., accidentally drowned June 27. Army Council express sympathy."

No further particulars are given, and this is the only word Mrs. Jamieson has received regarding her husband's death. Lieut. Jamieson left his practice of medicine at Grimsby, Ont., early last fall, went to England, offered his services, was accepted and designated to the Palestine Expedition. For a time he had charge of the Base Hospital at Jerusalem, then was with a Field Ambulance Corps at Jericho, and at the time of his death was attached to a brigade of Field Artillery. He was senior medical officer and had direction of the work. He was the second son of Dr. and Mrs. Jamieson to meet death by drowning, his elder brother having been drowned in the Bad River, Northern Ontario, a few years ago.

DEMANDS TO BE SENT TO INTERNMENT CAMP

(Special Despatch to The Globe.)

Windsor, July 4. — Shouting that he would never pay his fine and demanding that he be sent to an internment camp, Rudolph Schmidt, aged 50 years, a German who has been farming in Maldstone township since August, 1914, was to-day ordered by Magistrate Miers to pay a fine of \$125 and costs and to serve a month in jail. The sentence was the maximum provided by law.

Schmidt was arrested by Provincial officers a week ago for having failed to register. When taken into custody he gave the officers a hard fight before he could be handcuffed. Neighbors say that Schmidt is wealthy, and that he is professedly pro-German. A thorough search will be made of his farm premises at once.
