

# WILL ROUND UP ENEMY ALIENS

## **Bolsheviki Meeting in Montreal Followed by Announcement That Authorities Plan Big Drive.**

MONTREAL, July 30.—Capt. Carter, registrar for enemy subjects for Montreal district, announced this morning that plans had been perfected for a roundup of all citizens of enemy countries. Each, it is said, must be either interned or deported, officials having reached the conclusion that the time has arrived to put an end to any possibility of widespread enemy activity.

The decision follows closely upon the suppression of a Bolsheviki meeting here last week.
