

# DOMINION POLICEMEN TO NAB EVADERS AT EMERSON

---

A squad of Dominion police, in charge of a sergeant, will leave for Emerson this evening to round up men in that vicinity alleged to be draft evaders. Orders were given them to go to Emerson when word came from Dominion City that many Galicians are hiding near there and have refused to register. Preparations have been made by the police for bringing in a number of men, for they are acting on the assumption that the information from Dominion City is correct.
