

STRIKERS ARE REMANDED IN CITY COURT

Strikers Arrested by R. N. W. M. Police Come Before Magistrate Wednesday.

TO PROBE CAUSE

Government Will Appoint Commissioner to Ascertain Reason of Strike

WINNIPEG, June 25. — Official notice of the termination of the Winnipeg strike was sent to Premier Norris of Manitoba by Alderman Ernest Robinson, secretary of the strike committee. Mr. Robinson also made formal application that the government appoint a royal commission to inquire into the cause of the industrial troubles.

It is understood that the government intend to appoint Judge H. A. Robson as commissioner as soon as the strike is officially over, with the fullest powers that can be conferred upon him, to probe the causes which led up to the strike and make such recommendations as he sees fit to the provincial government. It will be a one-man commission, empowered to take evidence and report findings. No promise along these lines, however, has been made by the government to the strike committee or any of its representatives.

Federal, provincial, municipal and industrial officials have emphatically announced that some men will not be reinstated under any circumstances.

Mayor Charles F. Gray stated that some of the civic employees will not be taken back, and those who do resume work must sign a pledge guaranteeing against participation in sympathetic strikes.

William Ivens, R. B. Russell, George Armstrong, R. E. Bray, and Alderman John Queen and A. A. Heaps, strike leaders arrested by the R.N.W.M.P. in an early raid a week ago, appeared in city police court today and were remanded for 8 days on request of A. J. Andrews, K.C., crown prosecutor. They will be tried on charges of seditious conspiracy July 3. W. A. Pritchard, Sam Blumenberg, M. Charitonoff, Oscar Schoppelrei and Moses Irmazoff, held at Stony Mountain penitentiary on similar charges, were also remanded until July 3.
