

# *Britain to Restrict Alien Employment*

---

Canadian Press Despatch.

London, July 10.—Despite strong opposition by the Government House of Commons, a committee to-day passed, by a vote of 15 to 12, a clause in the Alien Bill restricting the employment of aliens in Great Britain.

The Under Secretary of the Home Office had argued in committee that inclusion of the clause in the bill would wreck the influence of the country in the Empire.
