

FORT HENRY CLOSED

C. G. R. Detachment is Being Moved to Ottawa

Kingston, July 23.—The detachment of No. 3 C. G. R. at Fort Henry is being removed to Ottawa, and the old fort will once more be closed, except for the gunner, who will still reside as in days of peace there, when visitors climbed the hill to view the fort. During the first part of the war, alien enemies were interned at Fort Henry, being subsequently removed to Kapuskasing.
