

# OPPOSE REPEAL WAR TIME FRANCHISE ACT

## Toronto Orange Lodge Wants the Measure Continued.

Associated Press by Leased Wire.

TORONTO, July 29.—Earl Roberts, Loyal Orange Lodge, of this city, has forwarded to Sir Robert Borden a resolution passed by the lodge against the action of the Government in repealing the War Time Franchise Act. "And again extending the right to vote to aliens who were lately our enemies, thus giving them the power in certain constituencies to prejudice loyal subjects of the King and spread their propaganda to cause disunion and disloyalty to the injury of our beloved country."
