

847 ARE NOW INTERNED

91 Aliens Rounded up Since Signing of Armistice.

Ottawa, Sept. 19.—In the Commons yesterday, W. D. Euler asked how many enemy aliens were still interned in Canada.

Mr. Doherty: "Eight hundred forty-seven." Ninety-one, Mr. Doherty added, had been interned since the signing of the armistice.

Mr. Euler: "Is it the intention of the Government to make early disposition of the interned enemy aliens in Canada?"

"Yes; one thousand four hundred and fourteen have already been repatriated."
