

Need of Canadianization.

Dr. J. T. M. Anderson, M.A., Director of Education among new Canadians, Saskatchewan, and an author on educational subjects, will give an address on "Canadianization: The urgent need for a national policy to ensure a national unity," before the Board of Trade in the lounge room on the 19th floor, Royal Bank Building, 1.15 p.m., Tuesday. In view of the importance of the necessity of Canadianizing the "stranger within our gates," the address will be of great interest to the members of the board.
