

## **Close Watch on All Germans in Canada**

Ottawa, August 8.—An official memorandum issued last night states: "In accordance with instructions received from the Imperial authorities, German officers or reservists attempting to leave Canada for the purpose of joining their colors will be arrested and detained. Arrangements for this purpose have been made at all ocean ports on the Atlantic and Pacific, as well as at various cities and towns. German immigrants desiring to remain in Canada for the purpose of continuing or attending to their ordinary business or avocation will not be molested or interfered with unless they engage in espionage or in any hostile act or attempt, or unless they endeavor to give information to aid the enemy or otherwise contravene any law or order in in council or proclamation.
