Montreal, Aug. 13.—Chief Campeau, of the Montreal police, has received three letters from citizens informing him of secret meeting places of Germans suspected of being spies.

One of the rendezvous is on the south shore of the St. Lawrence opposite Montreal and has been frequented for the past six weeks. Since war has been declared meetings have been held every two days.

Amongst those identified according to the correspondence were three employees of the Windsor Hotel and one employee of the Ritz-Carlton Hotel. Chief Campeau has communicated with Col. Sherwood in Ottawa, who will turn the matter over to the military authorities.
