Four Germans Arrested at Cananoque Transferred to Kingston

By Canadian Press.

Kingston, Aug. 19.—Instructions have been received from Ottawa, transferring to Kingston the four Germans arrested and held at Cananoque. They were found with weapons and other utensils on them. Lieut.-Col. Hemming, commanding the division, has ordered that the military prisoners be detained in Fort Henry. It was in 1837 that the last military prisoners were incarcerated in the fort.
