

# *Few Germans Ask Work From Bureau*

---

## *Three Hundred Austrians Ap- ply, However; Registration Slowing Down*

---

Three hundred Austrians have registered at the Civic Bureau of Employment. There have been few applications from Germans. Business is slackening up. The last day of the first week of registration saw the smallest number for the week, 259. The total for the week showed that 5,496 persons had applied for work.
