

# REGISTRATION OF ALIENS IN BRANDON

Interesting Motion Passed Unanimously at Meeting of City Council Last Night.

## NO DISCUSSION ON MOTION.

---

Without any discussion and with not a dissenting voice raised against it, the following motion, which explains itself very clearly, and which was moved by Ald. Bourke, and seconded by Ald. Evans, was passed at the regular meeting of city council last night:

"That in accordance with recent order in council of the Dominion government with respect to registration of Germans and Austrians resident within the Dominion, the attention of Sir J. A. M. Aikins, M.P., be drawn to the fact, there are large numbers of aliens in Brandon and the districts tributary thereto and requesting him to have city of Brandon fixed as registration centre for this purpose."
