

Registration bureaus in connection with the government's plan to deal with the German and Austrian immigrants in Canada will be established in Montreal, Toronto, Ottawa, Halifax, St. John, Quebec, Winnipeg, Edmonton, Regina and Vancouver. In general the Dominion and Royal Northwest Mounted Police will supervise the administration of the regulations. Sensational stories in United States papers to the effect that 40,000 Germans and Austrians would be imprisoned are denied in official circles. As a matter of fact all will be registered, and it will then be decided who will be allowed out on parole, who will be given permits to leave the country, and who will be interned here.
